

# Rickey E. Johnson

 *Certified Life and Leadership Coach*

## Learn *Rickey's Story*,

- Principles for Effective Money Management
- Lessons About Money My Family Never Taught Me
- The Three Generation Mindset

**H**aving overcome homelessness, Mr. Johnson possesses an unwavering passion for success that will inspire your team to seek ambitious opportunities. He also offers innovative methods to engage your target audience, transforming them into enthusiastic advocates for your brand.

When I embarked on my entrepreneurial journey, I lacked a coach and the right business tools. Despite having minimal training, I successfully navigated many obstacles. Today, I individuals nationwide through the web of financial literacy.

What makes Mr. Johnson's workshops truly exceptional? With over 30 years of public speaking experience, he has a unique ability to connect with audiences, inspiring them to achieve peak performance.

As a digital creator, he launched an engaging online game titled "**Wills, Bills, And Money Skills®.**" This innovative game offers users continuous training to master their money management abilities, empowering them to take control of their financial futures.

Regardless of whether it's for personal growth or professional development, Mr. Johnson equips

participants with actionable strategies that they can put into practice immediately. Many of his attendees and coaching clients often express their surprise, saying, "*Why wasn't I taught this valuable information by my family or in school?*"
